

Santa on the Bayou

December 17, 2022

Ho! Ho! Ho! Santa & Mrs. Claus want to greet all the children of CDL at the Laurent Rd boat launch from 4:30 til dusk! Then his Bayou Sleigh departs for a personal visit with your family at your home dock. He is starting his journey at the bayou Coin du Lestin, then the Legendre Bayou and last the Peninsula Dr bayou. Please have your dock lights on if you want him to stop. You'll hear Santa's elves playing Christmas songs to tell you he's getting close.

Thanks to Mike Francis Family and crew for hosting their annual Santa on the Bayou! Please remember a little Christmas \$\$ donation for Santa to help cover expenses for this night of fun.

You must have lights on and be outside by dock.
